

## **Scandinavian Politics and Culture**

Raymond Williams Foundation (RWF) residential at Wortley Hall, 22-24th November 2013

### **Provisional Programme**

This residential will broadly follow the pattern of recent RW residentials at WHall and elsewhere. Hence we aim to be flexible, expecting 45 participants in total (2 or 3 part-time) which will enable up to five choices for discussion/seminar sessions.

This programme will remain provisional, open to some minor modifications.

A *facilitator* '...contributes structure and process to help take the discussion forward...'

We have a line-up of experienced facilitators for the discussion circles/groups/seminars (WEA, OU and other university lecturers/tutors; TV documentary presenter; former MP/MEP; poet and authors; PiPs facilitator/s...). Also, **Dr Kristin Ewins**, Director of the Centre of Academic Development, Orebro University will assist, participating and answering questions in at least one of the Saturday discussion sessions.

.....  
Suggested reading, viewing or listening : any books, web references and broadcasts  
mentioned, or relevant to, above; Raymond Williams **Keywords** (1976 and 1983) **New**  
**Keywords** (Ed by Tony Bennett .... 2005); Mary Hilson **The Nordic Model** (2008) More  
recommended books as in notes... Visit [www.opendemocracy.net](http://www.opendemocracy.net) for latest articles on central  
issues.

Keep up-to-date with notes posted on RWF web-site. Advance preparation of focused notes -  
by all - for discussion sessions is, we know from experience, hugely helpful assisting  
avoidance of waffle and repetition.

*Facilitors* for sessions may not be 'experts', and may facilitate discussions for which others  
have prepared notes. We hope obviously that expert opinion will have been consulted by  
participants beforehand. If you have a lap-tap or i-pad/tablet/phone with you at WH these  
may be useful during some above sessions.

For newcomers - if you are nervous or sceptical about any of the above, fearing confusion and chaos... it is suggested you look at the evaluations on earlier similar residentials on the RWF website... [www.raymondwilliamsfoundation.org.uk](http://www.raymondwilliamsfoundation.org.uk)
